This Season we have 14 Registered Teams Div1 & Div2 will have 7 Teams with Div3 not used. The number of weeks available this season is critical; you can only cancel a match if the opposing Team can play on another day of the week following the expected game. Please consult the Result Secretary prior to approve cancellation. You should look to play the match with a minimum of 4 players forfeiting any untaken games to your opponents. Any non-played cancelled matches will be forfeit resulting average points to your opponents. The League will look disapprovingly at any tactical cancellations and act according deduction points where necessary. Please refer to Rules 8 & 9. These Rules will be invoked. The individual competitions during the season will be recorded but as for previous season no awards will be given. The last 'extra' player registration date will be Wk11 Game 11 **12<sup>th</sup> August 2019**. Non registered players used after this date will result in a point's deduction.
